Listening Ability is Inversely Proportional to Prejudice

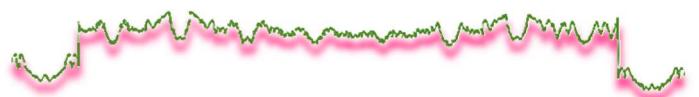

All divorces are purely financial.
Finances are set by the 'controllers'.
Drinking = suicide.

When it looks like a cover-up, it has more to do with altering Man's perception. Do not be tricked!

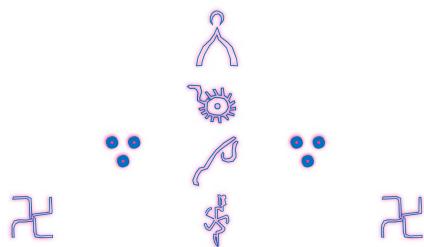

94-98% of Individual Performance is from the system.

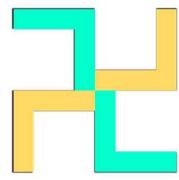

The system is defined as every Measurable Quality within its Control Limits, above and below its Average. Please see Eq. 1, 2.

$$CL = \bar{x} \pm \sqrt{\bar{x}} \quad (1)$$

$$CL = \bar{x} \pm 3\sqrt{\sigma} \quad (2)$$

94-98% of People are Innocent.

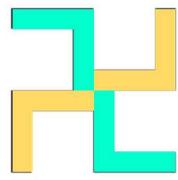

Policies not aligned with the Bill of Rights = Null & Void.

Sovereign = Foreign

CITIZEN = subject / slave

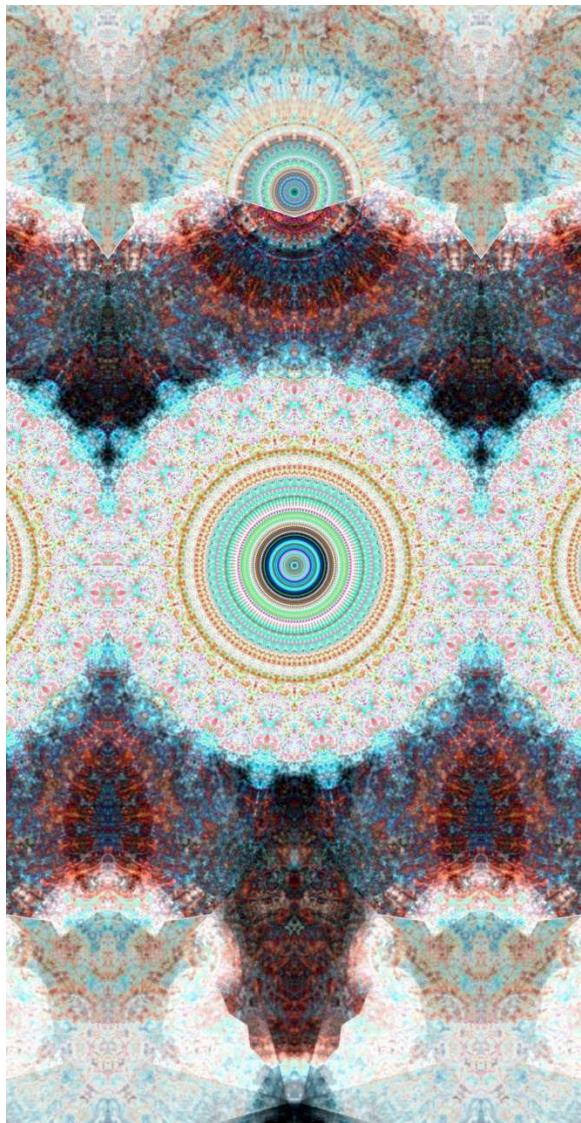

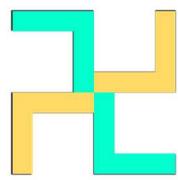

Every(one / thing) is your teacher.

"Crazy" is just 'not agreeing.' "Not agreeing" might be 'early knowing.'

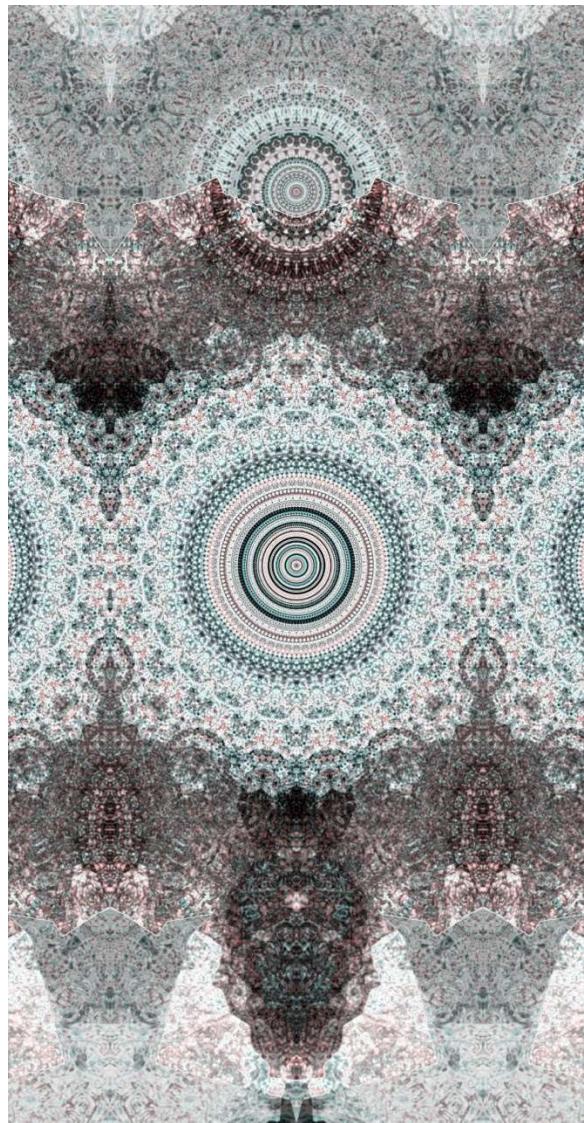

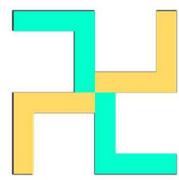

Patience.

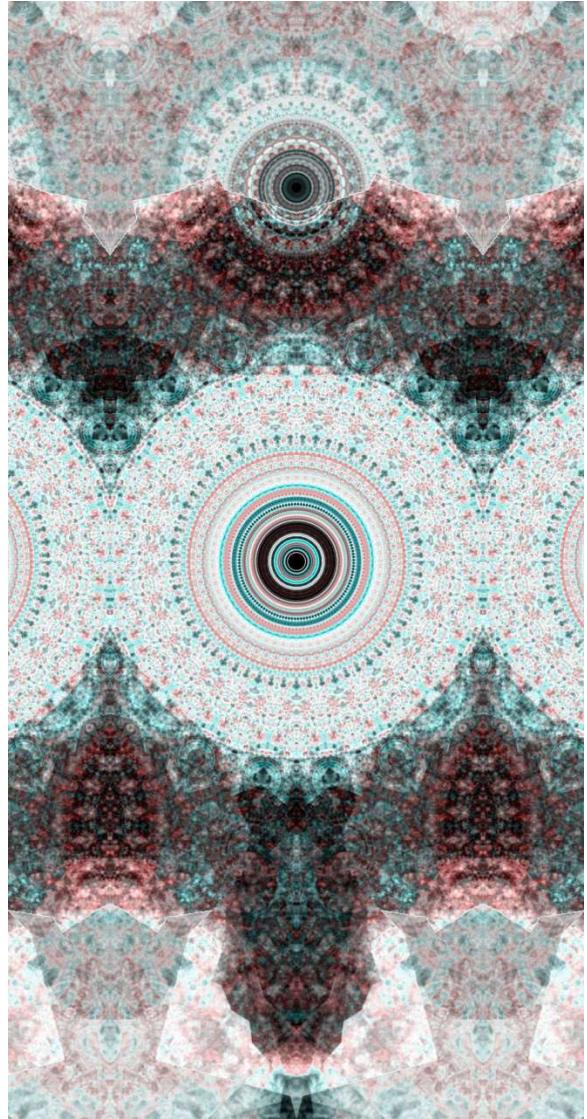

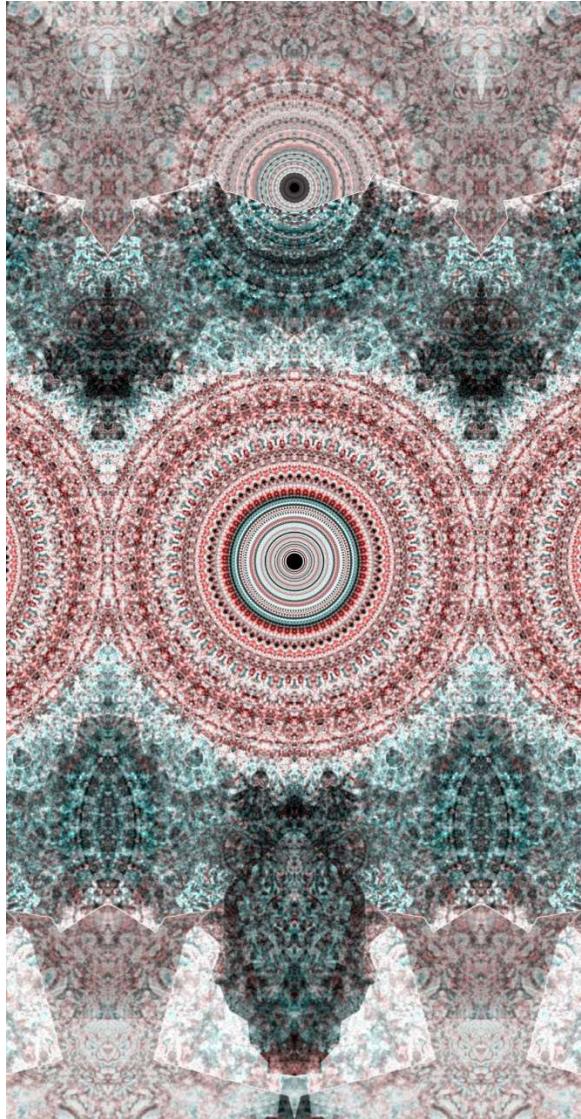

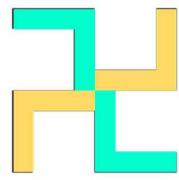

Everything is medicine. Everything. If you are tired, sleep is the medicine; hungry, food is the medicine. But if you take medicine before you are sick, then you will get sick!

Love it. It is scary, but afterwards, it's better. So, be brave and courageous. The Creator will not let you down. Nature will not let you down. You WILL NOT LET YOU DOWN. I believe in YOU. Love, The Pharaoh of America

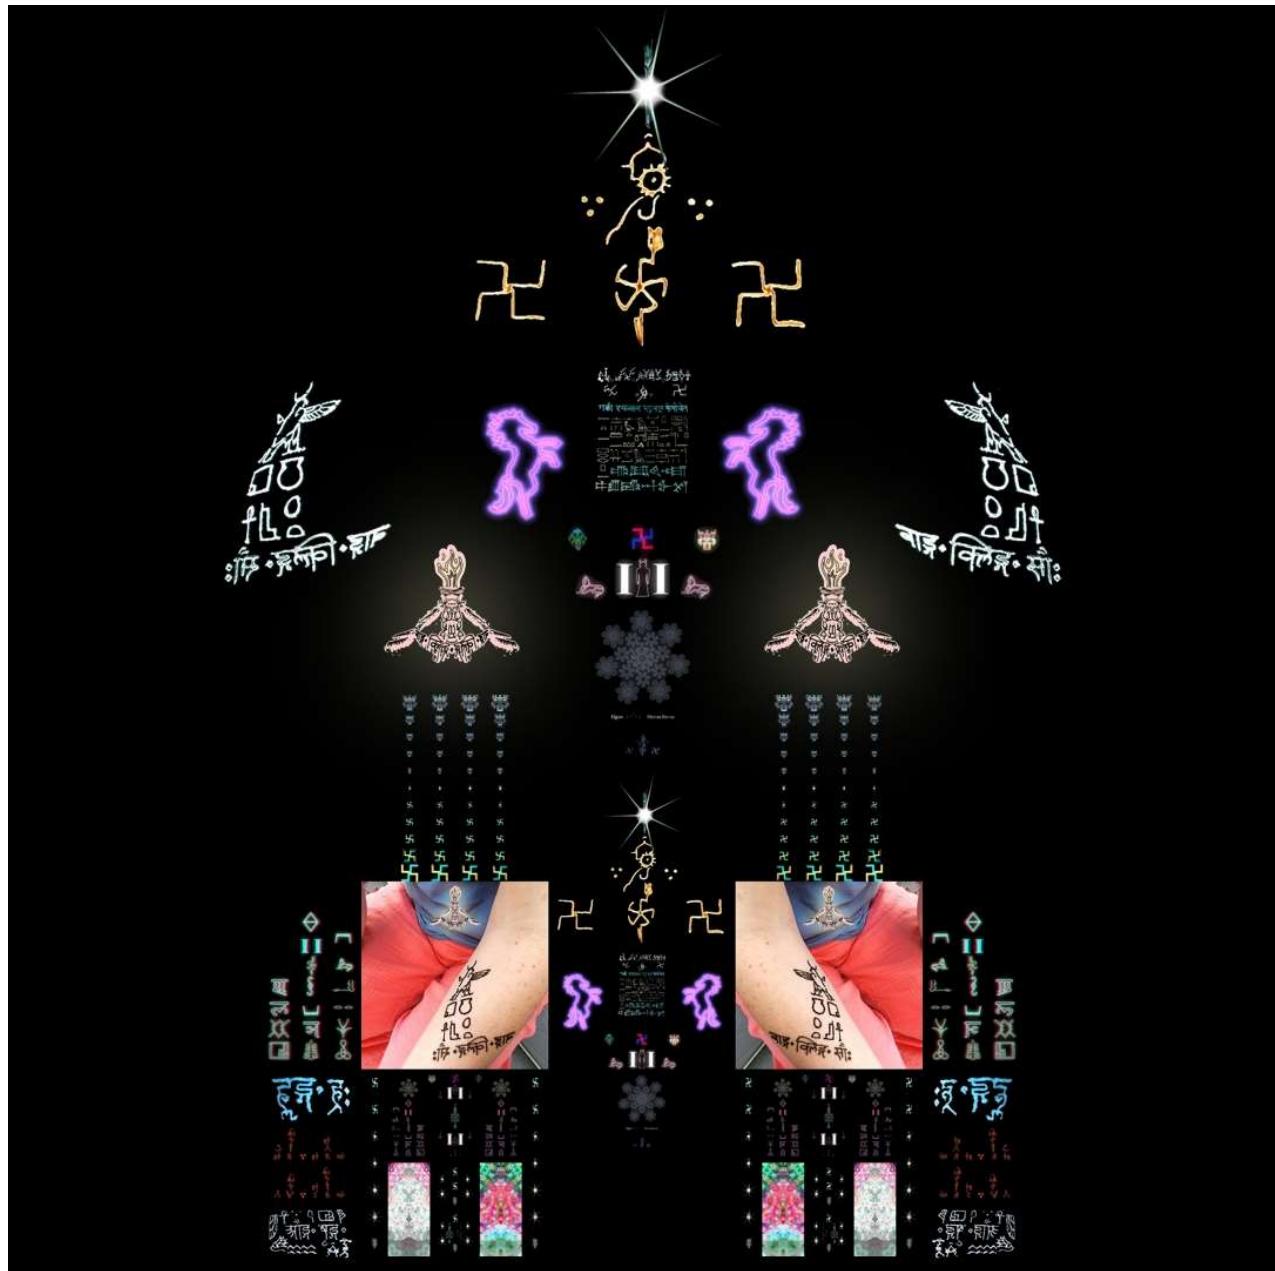

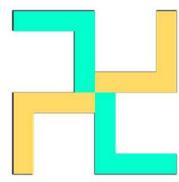

"Color of _____" = "Not _____"

Nothing happens without CONSENT.

God is Living Loving Lawful Language

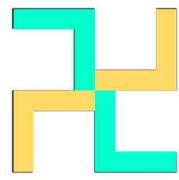

Mankind will not be tricked. Child is father of the Man.

Are the 'Developers' growing Man, or is Man developing the 'Growers'?

There is so much valve, it is extremely difficult to accept impermanence.

How can this be overcome? Can it be overcome? Should it be overcome?

They'll push you to the edge of the cliff, with their left hand then "help" you with their right. The "help" is actually against you too.

On the surface, they make it seem organically universal. Below, it appears like a direct war aggression. Further below, it may be development. At fathomable depths, it may be a filtering process.

Then the question of "Why?"

It may be how balancing happens, impermanence – back to the surface.

Will blame stop it? No.

Is Impermanence, impermanent?

Is a 'protest' defying GOD or; for GOD?

Or both? ¶
